

Dispatcher Trainee Kickstart your career within logistics!

As a dispatcher trainee in LS Intertank, HQ Taulov, you will go through a 2-year development process in an international and dynamic working environment. You will become a part of a team of 12 dispatchers and learn about logistics and tank transport in theory and practice.

You get the opportunity to work with all aspects of transport of liquid goods to international customers in Scandinavia and Europe. To ensure a steady development in your competences you will get a mentor and a personal development plan, which we evaluate every second month.

As a trainee in LS Intertank, you get a competitive trainee salary and employee benefits such as free mobile, internet and private health insurance.

Key tasks:

- Plan trailers and tanks
- Make CMR's and cleaning certificates
- Communicate with drivers and various stakeholders
- Ensure a high level of customer service and delivery on time
- Coordinate transports and ferry bookings in Europe and Scandinavia

Qualifications:

- Relevant educational background
- Problem solving and structured approach towards work tasks
- It is an advantage if you speak Polish, Czech or Slovak
- Good IT skills

Contact:

Call HR Manager Maria Monberg +45 28151223 if you want to hear more about the trainee process.

Send a short letter of motivation and CV to mm@intertank.dk.

We call in candidates continuously and close down the position, when the right candidate is found.

LS Intertank collects and processes personal data relating to job applications. We process your personal data confidentially in accordance with the data protection rules. If you accept a position at LS Intertank, all relevant parts of your application will be transferred to your employee folder. If your application is rejected, LS Intertank store your personal data for up to six months, after which the data are deleted.

LS INTERTANK ApS is the Scandinavian specialist within logistics and road transport of liquid goods, with customers from both the chemical industry and the food industry. LS INTERTANK is headquartered in Taulov, Denmark, and operates from locations in Norway, Sweden and Slovakia.
